No comp in Dec – Christmas Party sponsor Cranbourne Tackle World!

Trash Talk

There is no comp in Dec which is the norm these days, however there is the great Christmas Party, held on the first Saturday of December.

This year a change of venue to the Moulday's residence in Officer. It was a great day but very wet with rain persisting for most of the day. Thankfully Moulds had plenty of helpers to set up marquees to keep everyone dry. He also has a very good size garridge. Thanks to Moulds, Penny and the kids for having the day at their home.

Also a big thanks to SoS and Leanne for having nearly every other Christmas Party, well for eons, at their home in Cranny East.
