### Baras' Babble

The big river trip started at 7:00am with most of us leaving from the  
Cardinia Pub. We had a leisurely drive through the black spur and finally  
arrived at the youth camp. It is a perfect spot for a fishing week-end, it  
even has hot water!! (Ha ha)

The fish were plentiful but their size a bit short with only a  
handful being just over size.

On Sunday a few left early but Adam stuck it out... the weather to  
catch the only size fish for the day.

Well done Adam.
