Dear Mr Fothergill,

Re: Stronger Fishing Clubs Grant Application #SFC00217

Thank you for your application to the Stronger Fishing Clubs Grants Program that is being funded from the Government's Target One Million program, to get more Victorians fishing, more often.

I am pleased to advise that your grant application for a 'Membership Drive and Upgrade of Club Room Facilities' project has been successful for the maximum amount of \$2,000.00 (GST not applicable).

Two copies of a Funding Agreement are enclosed for your completion and return. As you have not provided an ABN on your initial application you will also need to complete and return the enclosed ATO 'Statement By Supplier' Form, together with the funding agreements. Can you also please fill in the 'Grant applicant banking details' slip which is attached to one of the funding agreements.

Once we receive one of the funding agreements and forms from you we will contact you to request a suitable invoice (which is made out to 'DEDJTR' or the Department of Economic Development, Jobs, Transport and Resources) which will be the last step of the required process.

Should you have any queries regarding this matter, please feel free to contact me on 8392 7537 during normal business hours.

I wish you success in conducting your project.

Yours sincerely
